"The Last Kiss"

I swear it will never happen again
I'll never kiss you again
But I have to say
It was the most beautiful mistake I have ever made

The last kiss you gave me on december
I will always remember our first kiss
As the day I met you on september
I still remember you got me on my knees

Baby I was hoping you will hold my hand
I don't want you to misunderstand
Why can't you be by my side?

The last kiss you gave me on december
I will always remember our first kiss
As the day I met you on september
I still remember you got me on my knees

This will be the first and last kiss from december
Stay away from me, you do me so wrong
Even though I like you so much...
This will be the last kiss I will never forget.
