A Most Cursed Expedition  
Darkest Heart Of Asia Is Found  
The Evil There Pervasive

We Met With Grotesque Natives  
Led Upon A Treacherous Climb  
To Find a Place Prime Evil

Ancient And Wicked People  
On A Plateau Hidden From Time  
They Built A Black Stone Temple

And They Want Me  
With Skin As Gray  
And Shark Like Teeth  
All Worshipping  
An Ancient Thing  
That Sleeps And Dreams  
A Portal To  
A Calling Void  
Of Nothingness  
It Calls To Me  
My Ancestry  
In Blasphemed Depths

In That Most Horrid Temple  
High Priest Guards The Portal At Leng  
Creatures Spew From The portal

Webbed And Taloned Fingers  
Bulging Eyes Elliptical  
With Skin as Gray As shadow

They Are One With The Ancients  
Tendering Threads Cold As The Deep

In Fitful Sleep  
I See Myself  
With Skin Like Theirs  
It's Thick And Gray  
And Coarse With Scales  
And Slippery

And I breath  
Effortlessly  
In Darkened sea  
I Now Perceive  
That I belong  
To Ancient Keeps

Lost In Asia, Never To Be Seen Again  
Never, Never, Never To Be Seen Again  
Last Seen China Never To Be Seen Again  
Never, Never, Never To Be Seen Again  
Northwest Province Never To Be Seen Again  
Never, Never, Never To Be Seen Again  
Through The Portal Never To Be Seen Again  
Never, Never, Never To Be Seen Again

Ia, I Return To The Sea  
Into Ebony Deep  
Ia, To be One When It Dreams  
A Batrachian League  
Ia, Far From Weak Human Flesh  
Down In Cold Ocean Depths  
Ia, May The Anti-God Emerge  
To Inherit The Earth

These Ancient Wicked People  
On A Plateau Hidden From Time  
They Built A Black Stone Temple

In That Most Horrid Temple  
High Priest Guards The Portal At Leng  
It Leads To Godless Chaos
