Bleeding, Draining, Wasting  
Infecting, Polluting, Putrefying  
Festering, Pustulating, Weeping

No Respect For The Species  
Well Of Disgust, Deep And Seething  
For The Filth That's Breeding  
The Pathetic And The Sickly  
Parasitic And Needy  
They Wallow In Self Pity  
Loathe Unclean Dependency  
Self Destroying Mercilessly

Contagion, Infestation, Ruination  
Objurgation, Humiliation, Indignation  
Insanguination, Vaporization, Extermination

Notorious Vectors of Disease  
Soulless Insects Sucking Greedily  
Spreading Sickness While They Feed  
Terminal And Decaying Steadily  
Open Wounds Are Sweeping  
Fatal Virus Insinuating  
Total Loss Of An Dignity  
Down A Spiral Fall Of Misery

Eating Like An Abscess  
Pox To All Existence  
Spoiling Into Blackness  
Deeper Then The Abyss  
Bane Of All Existence  
Dragging Down The Hopeless  
Assassinating Spirits  
Dying Within Helpless

Another Victim Of a Tragic Lie  
I Turn My Back And I Close My eyes  
I Will Not See You but I am Not Blind  
You Let Your Weakness Just Destroy Your Life  
Your Sickness Only Makes You lose Your Mind  
You're out Of Love And Your Out Of Time  
You Cease To Function as If You Were Alice
