Same old stories  
Same old lies  
They complicate  
Our simple lives  
They undermine  
They push our pride  
We're not the kind  
To let it slide  
We're built like bombs  
You light the fuse  
Human nature  
Will not refuse

Straight from the heart  
Comes a royal ass whipping  
Eye to eye  
Toe to toe  
Then it's done  
Straight from the heart  
Comes a royal ass whipping  
Strike the flesh  
With the bone  
Damage done  
Straight from the heart  
Comes a royal ass whipping  
Open wide  
Deep inside  
Violence sung  
Straight from the heart  
Comes a royal ass whipping  
Code of rage  
Heart of rage  
Honor one

We use our fists  
To communicate  
Battle royale  
Just escalates  
A savage lurks  
Beneath veneer  
It lies in wait  
Born of fear

We clench our fists  
We grit our teeth  
The well of violence  
Is pure and deep  
It will arise  
It will command  
Honor won  
Honor lost  
By the hand

[Repeat 2nd verse]

We can see no other way  
When the blood runs to our face  
When the blood gets in our eyes  
When this anger makes us blind

Violence  
It takes control  
It takes control  
It takes control
