I'm dreamin' of a feelin' that will help this journey end  
These eyes of mine are crying and I don't like my  
freedom  
That ol' lonesome whistle's blowin'  
It's a ringin' threw my brain  
It took away my baby so blame it on the train

Chorus

Blame, blame, blame  
Blame it on train  
Dog-gone that locomotive it's drivin' me insane  
Destination's lonesome, coal's a burning flame  
His memory is smokin'  
Blame it on the train

Forever I'll keep on walking on down these endless  
tracks  
There ain't no love behind me and there ain't no lookin'  
back  
So I'll be a lonesome hobo  
Heartbroken full of pain  
I'm followin' my baby, blame it on train

Chorus x2

Destination's lonesome, coal's a burning flame  
His memory is smokin'  
Blame it on the train
