I've heard your voice,I've felt your touch
But only in dreams have I felt this much
I've not seen your face,I don't know your name
But here in my heart you have a place
I'm not for sure,but I believe
You're out there waiting for me
I'm waiting for you,biding my time
Keeping my heart from crossing over the line
Counting the days until my dreams come true
I'm waiting for you,taking it slow
Until the moment that I can let go
One day I know I'll say I do
I'm waiting for you
I can go on a date and have a good time

But you're always there in the back of my mind
I'll know it's you when you take my hand
And right by your side is where I will stand
I know how good it's gonna be
The moment that you find me
I'm waiting for you,biding my time
Keeping my heart from crossing over the line
Counting the days until my dreams come true
I'm waiting for you,taking it slow
Until the moment that I can let go
One day I know I'll say I do
I'm waiting for you
I'm waiting for you,taking it slow
Until the moment that I can let go
One day I know I'll say I do
I'm waiting for you
