Somewhere in our hearts  
Somewhere deep inside  
lives a dream  
thats worth dreaming

Every now and then  
I get a glimpse of where  
he and I could fly  
but you an I  
share

One dream  
One hope  
we're heading down the same road  
even though we dont know where it leads  
we follow  
the same star  
I'm in love like you are  
until he reaches out for you or me  
we share  
one dream

I imagined what would be  
magical place is  
waiting for me  
its still out there

our vision is the same  
even though the world through  
different eyes  
you and I  
share  
One dream  
One hope  
we're heading down the same road  
even though we dont know where it leads  
we follow  
the same star  
im in love like you are  
till he reaches out for you or me  
we share  
one dream

One dream  
One hope  
we're heading down the same road  
even though we dont know where it leads  
we follow  
the same star  
im in love like you are  
till he reaches out for you or me  
we share  
one dream  
  
one dream
