I could stay here in this moment
Let tomorrow go
You could ask me if I love you
If I dance around the truth with you
It would only be a lie
'Cause all I really wanna do
Is love you 'till the day I die
Whole heartedly
Every part of me
All or nothin',nothin' else would do
Touching heart and soul
Never letting go
Baby that's the only way
To love you
I'm gonna give you honesty
That's what you deserve
A promise to believe in
You can count on every word
Faithful and forgiving

That's how I wanna be
It's gonna be so easy
'Cause baby that's the way you love me
Whole heartedly
Every part of me
All or nothin',nothin' else would do
Touching heart and soul
Never letting go
Baby that's the only way
To love you
Touching heart and soul
Never letting go
Baby that's the only way
Whole heartedly
Every part of me
All or nothin',nothin' else would do
Touching heart and soul
Never letting go
Baby that's the only way
To love you
To love you

To love you
