Palace In Flames,
The king is dead a prince remains,
I will rise to rule,
The kingdom sees a brighter day...

Two days earlier sipping on some wine,
The cardinal, I'm told,
Is what they call a vampire

I saw her at the ball,
Who is she, who is she, who is she,
It seems that she's controlled,
By the cardinal

The king asks for me,
I'm taken to his hall,
We share a high,
He tells me, of his goal,

Yet she still clouds my mind
Who is she, who is she, who is she,
And now I realise,

She's the kings desire,
This cannot be,
What's happening to me,
This could be mutiny,

He must be crazy, those powerful phycos, will have his
heart

In his private room,
The king has restrained,
The girl I love,
The cardinal stands betrayed,

But enter I the prince,
To kill him, this king so peverted,
A candle to the ground,

Palace In Flames,

The king is dead a prince remains,
I will rise to rule,
The kingdom sees a brighter day...
