Iâ€™ve been sleeping, both eyes wide open
Iâ€™ve been waiting for a moment, lye in peace
Played in these races over and over
Seen the same places so many times before
Just leaves me wanting more
Now Iâ€™m standing at your door

All the feelings please believe oh oh
Ainâ€™t no mind to it cause now itâ€™s clear oh oh
Now Iâ€™m here oh oh

For all the time that I used to care
Now Iâ€™m anyone, anywhere

I want loving, I want freedom
I wrote the books but I donâ€™t read em at all
When the writingâ€™s on the wall

All the feelings please believe oh oh
Ainâ€™t no mind to it cause now itâ€™s clear oh oh
Now Iâ€™m here oh oh

For all the time that I used to care
Now Iâ€™m anyone, anywhere

Yea yea yea, yea yea yea
Yea yea yea, yea yea yea
Yea yea yea, yea yea yea
Yea yea yea, yea yea yea

Whatever you wanna feel, itâ€™s alright (Yea yea yea,
yea yea yea)
Youâ€™re whoever you wanna be here tonight
Whatever you wanna feel, itâ€™s alright
Youâ€™re whoever you wanna be

All the feelings please believe oh oh
Ainâ€™t no mind to it cause now itâ€™s clear oh oh
Now Iâ€™m here oh oh

For all the time that I used to care

Now Iâ€™m anyone, anywhere

For all the time that I used to care
Now Iâ€™m anyone, anywhere
