Send a message,  
to my heart,  
tell it everything,  
from the start,  
make it honest,  
make it true,  
It's the only way,  
we'll see it through

Send them all,  
the letters,  
fit them all,  
together,  
set in stone,  
forever,  
make it whole,  
and never tell a soul,  
endeavour to be told

Send a message,  
to my heart,  
send a message to my heart,  
with every beat I hear it speaking loud and clear,  
send a message to my heart

Break it gently,  
or break me down,  
don't say anything,  
don't make a sound,  
actions,  
although they hurt,  
It's the feelings,

that really burn

Send them all,  
the letters,  
fit them all,  
together,  
set in stone,  
forever,  
make it whole,

and never tell a soul,  
endeavour to be told

Send a message,  
to my heart,  
send a message to my heart,  
with every beat I hear it speaking loud and clear,

Send them all,  
the letters,  
fit them all,  
together,  
set in stone,  
forever,  
make it whole,  
and never tell a soul,  
endeavour to be told

Send a message,  
to my heart  
send a message to my heart,  
send a message to my heart,  
send a message,  
to my heart
