You've taken all we ever had
We'll never get it back
Traded love for something else
Something I guess I didn't have
You can dream in gold
But you'll wake up penniless

Just because I'm broke
And you have my heart in a million pieces
Doesn't make you a millionaire

You sold out, you're cashing in
Oh you silly girl
And one day you'll realise
I could have given you the world
You can dream in gold
But you'll wake up penniless

Just because I'm broke
And you have my heart in a million pieces,
Doesn't make you a millionaire
And just because you're gone
And you say I gave you a million reasons
Doesn't make you a millionaire

If you come back down
Don't be afraid to fall
And if you leave, promise me
You won't take it all
You won't take it all

Just because I'm broke
And you have my heart in a million pieces,
Doesn't make you a millionaire
And just because you're gone
And you say I gave you a million reasons
Doesn't make you a millionaire

You got a million pieces
But you're no millionaire
