The first time ever I saw your face

The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and stars were the gifts you gave  
To the night and the empty skies, my love  
To the night and the empty skies

The first time ever I kissed your mouth  
I felt the earth turn in my hand  
Like the trembling heart of a captive bird  
That was there at my command, my love  
That was there at my command

The first time ever I lay with you  
And felt your heart beat close to mine  
I thought our joy would fill the earth  
And last 'till the end of time, my love  
And last 'till the end of time

The first time ever I saw your face  
I thought the sun rose in your eyes  
AND the moon and the stars were the gifts you gave  
To the night and the empty skies, my love  
To the night and the empty skies
