You say "I love you boy"
But I know you lie.
I trust you all the same
And I don't know why.

'Cause when my back is turned,
My bruises shine.
Our broken fairytale,
So hard to hide.

I still believe,
It's you and me
till the end of time.

When we collide we come together,
If we don't, we'll always be apart.
I'll take a bruise i know you're worth it.
When you hit me, hit me hard.

Sitting in a wishing hole,
Hoping it stays right.
Feet cast in solid stone,
I got Gilligan's eyes.

I still believe,
It's you and me
till the end of time.

When we collide we come together,
If we don't, we'll always be apart.
I'll take a bruise i know you're worth it.
When you hit me, hit me hard.

'Cause you said hello,
It's where the going get's hard,
Our future is far,
Many of horror
Our future's far,
Many of horror
Our future is far,
Many of horror

I still believe,
It's you and me
till the end of time.

When we collide we come together,
If we don't we'll always be apart.
I'll take a bruise i know you're worth it.
When you hit me, hit me hard.
