Haha
Tear it down
Yo luke, I need you to do somethin' for me
Come on

I was ready for this since I was cradelin'
Put my name on the list, you won't be gamblin'
Not gonna leave with just this, we takin' everything

Confidence, compliments, bet you see it's evident

Catch me if you can, I'm like a bandit
I can float on my feet, you can't stand it
I don't just dance in a group, I command it

We give you more than you want and you can't handle
it

When we're out on the floor
We'll take over the ball
Stealin' the show
We're gonna leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

You can't stop us now
You can't shut us down
You can't top the sound
Better get ready now (now)
We gon' tear it down

The looks
We got 'em
The moves
We got 'em
The style
We got it
We gon' tear it down
The love
We got it
The crowd

We own it
Tonight
We run it
We gon' tear it down

Aha, comin' in so hard, I'm on my A-game
Don't dispute the art, I'm like a heavy weight
Yeah, I got this fire I'm a renegade

A-game, heavy weight, renegade, piece of cake

I can do this dance, with my eyes closed
When I step on the scene, I leave em' all froze
You wanna rumble with me, I write the protocol

Innovative on the stage, set the record straight

When we're out on the floor
We'll take over the ball
Stealin' the show
We're gonna leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

You can't stop us now

You can't shut us down
You can't top the sound
Better get ready now
We gon' tear it down

The looks
We got 'em
The moves
We got 'em
The style
We got it
We gon' tear it down
The love
We got it
The crowd
We own it
Tonight
We run it
We gon' tear it down

We gon' tear it down

Yes yes, we the ones to contest with
Recognize we the best, I can bet it

Slow dancin' right, give hands a clap
Of course you know that
You can't hold, a candle to our flames
Tear it up, man we takin' names, it's not a game, it's a
shame
You can't be like us
Can't be like us
We'll leave you in the dust
Of course we tear it up

When we're out on the floor
We'll take over the ball
Stealin' the show
We're gonna leave you in awe
We're comin' out
Well we're comin' out
We gon' tear it down

(Everybody clap your hands now)
You can't stop us now (No)
You can't shut us down (No)
You can't top the sound (Top the sound)
Better get ready now (Uh huh)
We gon' tear it down

The looks
We got 'em
The moves
We got 'em
The style
We got it
We gon' tear it down (gon' tear it down)
The love
We got it
The crowd
We own it
Tonight
We run it
We gon' tear it down
(Tear it down)
(Hahaha yeah)
