This defending match
With God, Almighty
Black flags attack
And I'm standing over Him
With His broken jaw
As I'm cackling slowly
Because I want it all
With my pirate's grin

I need to integrate the obvious
Until we're beating on the same two

Yeah

It's just a stupid lie
That I eat and exhale
It's a simple truth
That's as beautiful as May
And as they collapse
I'm gonna be there dancing
While the running cars
Emit the toxic waste

I need to integrate the obvious
Until we're beating on the same two

Until we're beating on the same two
