I want to wake up in the evening  
Shred my lips, bathe in chlorine  
Bless your heart you sad thing  
I don't want to be with you

I want to wake up in the evening  
Shred my lips, bathe in chlorine  
Bless your heart you sad thing  
I don't want to be with you

You came along, followed my bum  
Right through this maze  
Strung out and stunned  
Latched on to me, redded the dirt  
I was your prey, hung up on her  
But I don't want you, I don't need you

I want to wake up in the evening  
Shred my lips, bathe in chlorine  
Bless your heart you sad thing  
I don't want to be with you

You butterfly, you seem to morph  
You seem to bloom this caustic course  
You chose yourself so burn in hell  
You fleeting think, I chose myself  
But I'm too proud and I don't need you

I want to wake up in the evening  
Shred my lips, bathe in chlorine  
Bless your heart you sad thing  
I don't want to be with you

I want to wake up in the evening  
Shred my lips, bathe in chlorine  
Bless your heart you sad thing  
I don't want to be with you
