With intentions so grand  
You put it forward  
And offered up your offering  
They slapped it down into the dirt  
They chastized you  
Babe, I know how much it stings

Hey little star  
Burning in the dark  
Know who you are  
But I can't save you  
Hey little child  
Burning full of bile  
Stay for awhile  
But I can't save you tonight

Cause I have seen too much unrest  
My soul is aching  
It needs to lie here for awhile  
It sad I have to turn away  
Because you're drowning  
I see myself in your smile

Hey little star  
Burning in the dark  
Know who you are  
But I can't save you  
Hey little child  
Burning full of bile  
Stay for awhile  
But I can't save you tonight
