(Intro)

I was loneley.
I had no home.
I had no hope.
I had not a job.

(Vers)

But now, I have a home.
I have hope.
I have a job.
But IÂ´m still loneley.

(Ref)

So I tell you girl.
I want you now!
Yes I want you now!
I have money, I have a car.
I have a big house, and a good job.
I tell you girl, I want you now.

(Vers)

Yes I was loneley.
I was without hope.
I had no job.
I had no home.

But now I have hope, and I have a home.
And I have a job, but IÂ´m still loneley.

(Ref)

So I tell you girl.
I want you now!
Yes I want you now!
I have money, I have a car.
I have a big house, and a good job.
I tell you girl, I want you now.

(Last)

Yes I want you girl!
