Can't tell you why I feel what I feel  
Can't tell you why think what I think  
I feel the rage in my hands, the need to kill  
I see the cage that keeps me, makes me so ill  
Satisfaction, desire for freedom  
My mind gets insane, thoughts I can not lead'em!

Chorus:

I know this dark side in me  
Cannot put it out of me  
I try to see reality  
I die of my insanity

I'm so ill  
Insane my mind  
Can't control  
I get so blind

I rape myself, rape you, rape her  
I hate myself, hate you hate her  
My heart is bloody, my soul is dead  
I seek for a victim, victim to stab  
Your body down, her body down  
Stabbin'their minds down to the ground.

Chorus
