Your family are always fighting, some of your friends ain't worth shit. Even your country doesn't want you anymore. Your head is filled with problems and it's bound to get you from time to time. So come on son, rise above it all

Yeah, So come on son, rise above it all. Don't let the bastards get you down. No, no, no, So come on son, rise above it all. Yeah, Don't let the bastards get you down. Don't let them get you down

Suicide is an easy option, but it doesn't help at all. You must fight for the cause, you can make a better world. No hassles then, just the Aryan dream. So come on son, rise above it all

Yeah, So come on son, rise above it all. Don't let the bastards get you down. No, no, no, So come on son, rise above it all. Yeah, Don't let the bastards get you down. Don't let them get you down

Some people may hate you and others just neglect you. But you must always remember to us, you are a brother and a comrade. Fighting for the cause, fighting for the dream. So come on son, rise above it all

So come on son, rise above it all. Don't let the bastards get you down. No, no, no, So come on son, rise above it all. Yeah, Don't let the bastards get you down. Don't let them get you down. Yeah, So come on son, rise above it all. Don't let the bastards get you down. No, no, no, So come on son, rise above it all. Yeah, Don't let the bastards get you down. Don't let them get you down
