For hundreds years  
Church have been seen seeking  
The absolute power  
Over humble souls  
Priests raped  
In the Temples of God  
You won't be grieved  
For giving your own son

The bible asserts that murder is a sin  
But Jesus preached -  
" I didn't bring peace,  
But a sword on the Earth "  
Mad screams of burning inquisition fires  
Thousand innocent victims

Christ promised you eternal life  
I promise you eternal death  
" I'm Lord and you're my slaves "  
Slaves - obey your master even after death

" Let it be no gods besides me ! "  
Fanatic christians destroy  
Beautiful statues of gods  
Of ancient Greece and Rome  
Murders in the name of God

Of their dark deeds accuse Satan  
Nail newborn child to cross  
In the name of God
