No don't cry 'cause I'm running away
I believe in love are words too hard to say
Yes I know you could blame my mind
Let me live my time my heart is beating wild

I believe in fantasies oh baby
I don't believe in love I'm crazy
Don't wanna make you cry my darling
Leave me in my deep confusion

Fantasy you'll set me free
I'm living in a wild conclusion
Melody sings to the beat
I need a romantic freedom

Fantasy across the sea
I'm sailing with no destination
Harmony speed up my heartbeat
Tonight I'll reach my dreamland
