I let the tears run down my cheeks
That used to be not my thing
Useless and pointless and bootless to fight with
All the past, which would last only if you stayed.

If you just stayed with me, the sun would shine
Like it has never shined before
If you ask why, which ain't a lie
This is, what love is...

If you just stayed with me, tonight you would
Sleep next to me in peace, and be blessed
I know right now you just can't sleep
This is what remorse is
Just so you know...

Rain drops leak from my door
I've never felt so lonely before...
No future, only past, thoughts don't let me rest
Silence and darkness and dulness are my guests.

If you just stayed with me, the sun would shine
Like it has never shined before

If you ask why, which ain't a lie
This is, what love is...

If you just stayed with me, tonight you would
Sleep next to me in peace, and blessed
I know right now you just can't sleep
This is what remorse is

Rain drops leak from my door
I've never felt so lonely before...
No future, only past, thoughts don't let me rest
Silence and darkness and dulness are my guests.

If you just stayed with me, the sun would shine
Like it has never shined before

If you ask why, which ain't a lie

This is, what love is...

If you just stayed with me, tonight you would
Sleep next to me in peace, and blessed
I know right now you just can't sleep
This is what remorse is
Just so you know...
