I feel myself changing
No regrets about this
I hate them all
I am them all

I want me to see
That's what I need
To be my own self

They come and go
But I stay
They leave scars
But do they hurt ?

I feel myself changing
Too much thinking about this
I want them all
I am them all

I want me to see
That's what I need
To be my own self

They come and go
But I stay
They leave scars
But do they hurt ?
