So that you're now so sorry, things should go back to  
the way they used to  
be...

There were many times, I just wished that life could be  
that easy.

But hey I'm sorry too, you can't fix a broken heart with a  
glue

The stitch scars, the glue marks will always be there to  
remind you.

I don't wanna know any why's, cause it won't change  
the truth

Broken feelings can not function the way they used to  
do.

Don't say that you're sorry like a refrain, the words are  
vain.

Me is not the same, you is not the same, so let the pain  
remain!

Too late...

Sometimes I wonder why people can't cherish till they  
lose

Well, I'm not perfect, but I wouldn't confuse when it  
comes to choose

Between right and wrong, and being weak or strong,  
between crap or love.

If "us" was an enough criteria for you, wouldn't have  
looked for more.

I don't wanna know any why's, cause it won't change  
the truth

Broken feelings can not function the way they used to  
do.

Don't say that you're sorry like a refrain, the words are  
vain.

Me is not the same, you is not the same, so let the pain  
remain!

Too late...
