In love, the girl was always falling  
And I knew, it would be the same  
She said, open up your eyes  
Her smile will give you all, but lies  
I say  
Oh, o-oh put your arms around me now  
Oh, o-oh put your arms around me now  
Oh, put your arms around me now  
Don't mind, these days will never end  
Let go, we're falling down  
When we kiss the all goodbye  
Love is on sale today  
I say  
Oh, o-oh put your arms around me now  
Oh, o-oh put your arms around me now  
Oh, put your arms around me now  
Kiss me, she said and turned to me  
Touch me, and I'll stick like glue  
When you give yourself away  
My lips will take the pain away  
I say  
Oh, o-oh put your arms around me now  
Oh, o-oh put your arms around me now  
Oh, put your arms around me now  
I say  
Oh, o-oh put your arms around me now  
Oh, o-oh put your arms around me now  
Oh, put your arms around me now
