

## Melodramus "Searching"

Give me your eyes I'll let you see what I see  
Bring your uncaring mind, the selfishness no need

We're searching for a better view - All is taken up by  
popular few  
We're searching for a better view - All is taken up by  
popular few

Save me tonight - Save me alright

Corrupting my eyes I'll look to the skies - To get away  
from this view  
What will you do when you run out of room - Turning  
your back on this gloom

Take me to the canyon lands  
Take me to the canyon lands

We're searching for a better view - All is taken up by  
popular few  
We're searching for a better view - All is taken up by  
corrupt little few

Save me tonight - Save me alright  
Save me tonight - Save me alright

We're searching for a better view - All is taken up by  
popular few  
We're searching for a better view - All is taken up by  
corrupt little few

We're searching for a better view - All is taken up by  
popular few  
We're searching for a better view - All is taken up by  
corrupt little few

We're searching for a better view - All is taken up by  
popular few - Say goodbye -  
We're searching for a better view - All is taken up by  
popular few - Take me to the canyon -  
We're searching for a better view - All is taken up by  
popular few - Searching - Seaching - Seaching -

We're searching for a better view - All is taken up by  
corrupt little few - Say goodbye -
