I dream, I walk, she's on my mind  
I think of her wherever I go  
And tiger gets all my love  
I sing, she leaves, I just don't know  
I see her face wherever I go  
And tiger gets all my love  
Oh, she's on the streets tonight  
Watch out for teenage dust tonight o-o-o-o  
Oh, she's on the streets tonight  
Watch out for teenage dust tonight o-o-o-o-o  
I dream, I walk, she's on my mind  
I think of her where ever I go  
And tiger gets all my love  
Oh, she's on the streets tonight  
Watch out for teenage dust tonight o-o-o-o  
Oh, she's on the streets tonight  
Watch out for teenage dust tonight o-o-o-o-o  
And tiger gets all my love
