My Insanity is awake yes it is because of you
Oh why do I had to met you?
My insanity is awake yes it is because of you
Oh why do I had to love you

My humanity had slept
Yeah cause you broke my heart you broke my soul and
it hurts
My humanity had slept
Yeah cause you broke my heart you broke my soul and
it hurts

At that time my heart was so warm

Cause an angel was smiled
And she said that"her beauty is mine"
But her mind changed, and I don't know why
And my heart changed to cold

I swore when I wake from death
And come to you with sad
I'll take a knife, and make you looks bad!

Cause an angel was smiled
And she said that"her beauty is mine"
Her beauty is mine
Cause an angel was smiled
And she said that"her beauty is mine"

I knew that you still love him
But why did you make me believe
That I can make you mine
You knew that I love you
You knew that I'm desperate for you
You knew I don't want to lose you
And I know you used to fell like that too

The only thing that's in my mind was you
But why did you run'why did you go'it hurts

As the time goes on
I will moving on and forget you
