(Anti Justin Bieber Anthem)

Faster, Louder, Metalforce
Fighting for an ancient Course
Hail the demolition Lords
Faster, Louder, Metalforce

It's Time to Start the Crusade of the Heavy Metal
Riders.
Time to hit the Road Again and Show the World We're
Fighters.
Can you Feel The Fire, It's a Flame of Truth and Night.
We're born to reign in glory, we are rulers of the
Night.

The stage is getting ready, hear the Thunder in the Hall
now
A thousand Voices calling from the Last up to the Front
row
Everywhere we are, all girls will put their morals down
You better watch your Daughters Cause now
Metalforce's in Town.

March for the Oath that I've Sworn
For Glory and Honor I'm born

Faster, Louder, Metalforce
Fighting for an ancient Course
Hail the demolition Lords
Faster, Louder, Metalforce

My Heart is filled with Power when I hear the sound of
glory
When the Stage is Shaking and the Crowd is Screaming
for me
Fighting for a Duty, our own blood we Would Give
We fight for Heavy Metal, that's the only way to Live.

If you are against us, better watch out what you're
Grunting
We are like a Lion, and that Predator is Hunting
Since you beg for mercy, like a Baby you may cry

We don't make any Prisoners like vermin you shall
Die!

I call all my Brothers for Allegiance
I know in your Hearts you fell a Dream
We're ready to fight now as a Legion
And may all the true once hear my Scream!
