No we're not the same,  
you change your colours like you change your name  
face of the saint, you're a reptile shedding is your  
game  
all that shines isn't no gold, dirty blonde ain't got no  
soul

I don't remember, it's not real  
I don't remember, what I feel  
you were my prison baby, deny my pride  
you are the answer, die inside

Heart as black as coal, you paint your face with roses  
and vitriol  
leave a trail of poison from very hole  
Queen of extreme take your throne, grind yourself  
down to the bone

I don't remember, it's not real  
I don't remember, what I feel  
you were my prison baby, you were my pride  
you are the answer, die inside

Sweet as sugar, sick as Cancer  
Dirty Blonde where is the answer  
Sweet as sugar, sick as Cancer  
Dirty Blonde where is the answer  
Sweet as sugar, sick as Cancer  
Dirty Blonde where is the answer

Always the whore yeah she's dead to the core  
eating the pain, yeah again and again

Dirty blonde forever, you ain't going to Heaven  
no you ain't going to Heaven, Dirty blonde forever
