Hot wired, like a stolen car, Take me, for a joyride baby You go, fast and we'll go far Got some, time to kill now baby Take me, for a quick test drive Got some, time to kill I can, make you come alive Before I, make you ill

Amphetamines are in my dreams, don't need no sleep for this machine all I need is love and speed, Speed queen baby, Speed queen baby

Hedonist, until i die Drive me, off the edge now baby Love is, like a knife inside Go down, where it's hot now baby Speed queen, until i die Never, to return Bleeding, as you come inside Crashing, as we burn

Amphetimines are in my dreams, don't need no sleep for this machine all I need is love and speed, speed queen baby, speed queen baby...
