Ugly, broke me, can't be, not me
Ugly, broke me, can't be, not me

Fire from my right arm, bodies not mine,
you're going down, fuck, down
Where you lay your head, where you make your bed,
down down you die, you're dead, down down you die
you're dead

I am dirty, you are filthy, got a blow torch It's heading
for you
I am ugly, you are greedy, got a death wish, I'm seeing
it through
I cut your tongue out, so you cannot scream, I burn
your life now, destroy

Ugly, broke me, can't be, not me
Ugly, broke me, can't be, not me
Human scum, your time has come, outcast by everyone
rise up armoured scars, look at what you really are
Your life is nothing, you lie, your life is nothing you die

I am dirty, you are filthy, got a blow torch it's heading
for you
I am ugly, you are greedy, got a death wish, I'm seeing
it through
I drain your poison, peel off your skin, show me your
true face rotting within

Ugly, greedy, got a death wish I'm seeing it through
dirty, filthy, got a blowtorch and this one is heading for
you
