All love of mine with a song and a wine,
Your harsh and devine, like it's in a line
But the tailends not here I've nothing to fear,
For my love is yellin' forgivin and holdon,
And the bright emptiness in the
Room full of facts is a PROMISCUOUS oohhh...
I feel this unrest that my so hollowness
For I have nowhere to go at all...

And I feel so lonely,
There's a better place than this emptyness,
And I'm so lonely yeah...
There's a better place than this emptiness
... yeaahhh...

Tuney mere jaanaa kabhii nahiii jaanaa,
Ishq mera dard mera, haye
Aashiq tera... bheeed mein khoya rehtaa hai...
Jaane jahan poocho toh itna kehtaa hai...

And I feel so lonely,
There's a better place than this emptyness,
And I'm so lonely yeah...
There's a better place than this emptyness...
Yeaahhh...
