I'm one mean mother,
Got a demon's soul,
Like a wicked rider,
'Bout to lose control,

You wanna walk before you crawl,
You wanna fly your sure to fall,
I'm gonna bring you to your knees,
It is my soul purpose to please,

(Flying low)
Gonna crash and burn
(Flying low)
Fast and reckless no I'll never learn
(Flying low)
I'm nitro in the night
(Flying low)
I'm flying low

Now the steaks are higher,
Lay it on the line,
Don't get in my way,
I'm gonna make you mine,

You wanna walk before you crawl,
You wanna fly your sure to fall,
I'm gonna bring you to your knees,
It is my soul purpose to please,

(Flying low)
Gonna crash and burn
(Flying low)
Fast and reckless no I'll never learn
(Flying low)
I'm nitro in the night
(Flying low)
I'm flying low
