Easy livin this life, Just takin my time,  
Keep movin forward into the light

No matter what the weatherman says,  
My feet will stay dry as I keep positive,  
No cloud in the sky could dampin my spirit,  
And that is the outlook for my mind,

Easy livin is fine, You don't need to try,  
Just give in to the pull of the wind or the tide,

No matter what the weatherman says  
About the conditions there is no need to fret,  
And when it gets hot you'll just break off a sweat,  
And that is the outlook for my mind,

We know when the clouds are in the sky  
We know when the rain is falling outside,  
But as long as we don't let it in then we can all keep on  
Easy livin this life  
Easy livin this life  
Just keep on givin love till you die  
And that's the outlook for my mind
