Oh let the jukebox keep on playing. Let that record roll around. Let my baby keep on sayin' she's the lonesome gal in town. Let her know that I'll be waiting till my lonely days are through, let the jukebox keep on playin' till I'm holding you.

Let those honky tonkin' angels be the girl I never loved, let her know it's you I'm cravin' and it's you I'm thinkin' of. Let her know that I'll be waiting till my lonely days are through. Let the jukebox keep on playin' till I'm holding you.

Oh let the jukebox keep on playing, let that record spin around, let my baby keep on sayin' she's the lonesome gal in town. Let her know that I'll be waiting till my lonely days are through, let the jukebox keep on playing till I'm holding you.
