Blood is red, But it was blue,
I was dead I was dead I was dead,
But so were you,
Well she's dead, She's sinkin down,
It's all in your head, But it's all around,
And she is some kind of fish,
And she is your favorite wish,

My name's captain Maybel,
I was born on the sea,
I'm fishin for the big ones,
The big ones are fishin for me,
My grand daddy he was a sailor,
And his grand daddy too,
And we've been fishing this ocean since 1492
And she is Some kind of fish
And she is your favorite wish

Blood is red, but it was blue,
I was dead I was dead I was dead,
But so were you
