"Just a dream"

I'm so alone, waiting by the phone,
Your hand is in my hair, i know it anywhere,
I feel so sad till I think of you,
But I'm in the sand that I understand,

There's nothing else i want to do,
I spend all day dreaming of you,
I haven't seen you for a while,
I need a kiss I miss your smile,
All the things I liked you for,
Makes me want you more and more,
I don't know what to say, I've got to get to you today.

I can feel the heat, standing next to you,
Think about you all the time,
Never get you off my mind.
