I think that ur hot like july your beatiful eyes light up the sky  
Â they really make me wanna cry what I'm sayin  
aint no lie cuz I can't hide the way I really feel fo u  
inside I'm hopin our hearts just might collide this song  
comes straight from my heart which you previously  
tore apart but seriously I would trade errything away  
just for u to be wit me I can't stand that u aint mine  
Â cause damn girl u soo damn Â fine to you I dedicate  
this ryme baby isn't that a sign that I really luv you  
there aint no girl I could place above you and you'll  
always stay at the top guys look at u and they jaw drop  
and then they suddenly stop and stare at you girls  
think it aint fair that you are the most beatiful girl of  
them all I know ur an angelÂ Â I watched you fall from  
the skies above brittany please accept my loveÂ

Maybr I'm a jerk but baby it canÂ work Â if u just give  
me a shot baby I don't just think that ur hott I think ur  
beatiful and goergous every time I'm near u u get my  
so high but I don't know why and I'm sorry I made u cry  
that night I told u how I felt on aim but tht was how I feel  
and I still feel tha same but now I'm gettin tired of this  
stupid love gamr but it's unforgettable cuz girl u so  
increadibl and I've been in love wit u fo Â 3 years and  
over that time I she'd so many tears cuz u broke my  
heart I mean literally tore apart my heart 2 or 3 times  
and I'm still crawling back to u cause I love u and would  
jump in front of a train and I would jump off of a plane  
take a knife 2 my brain for ya Â I would accept my fate  
just to go wit u on a dateÂ
