I saw you face the other day  
You wanted everything  
You lived your life  
Like a Broadway play

You chose a crowd  
To be alone  
House full of people  
You did not know

Your smile was made  
To fill the screen  
Now it's all gone

Out of my arms  
Out of my life  
Is it worthwhile  
Living kingsize  
Out of my eyes  
Out of my life  
Is it worthwhile?

I read your name  
The other day  
I thought a thousand times  
Of the words you spoke  
How they made you choke  
You left their world  
To be alone  
Ain't worth a dime  
All that you own

The slomo tears  
That hit the sand  
Were back in a sec

Out of my arms  
Out of my life  
Is it worthwhile  
Living kingsize  
Out of my eyes  
Out of my life

Is it worthwhile?

You left their world  
To be alone  
Ain't worth a dime

Out of my arms  
Out of my life  
Is it worthwhile  
Living kingsize  
Out of my eyes  
Out of my life  
Is it worthwhile?
