You were the brightest  
Of all the colors  
A world of flowers  
Now on your way

Throughout your lifetime  
I felt your struggle  
I owe you everything  
I am today

You're the lines in my hands  
I want to be where you are  
I wonder where, I wonder why  
You're my favorite scar

You're the green in my eyes  
And the day that you passed  
Never ended you life  
You're my favorite scar

As I remember  
The house was shaking  
And almost twelve years  
Have passed since then

The road is endless  
And terrifying  
My only real home

Is deep within

You're the lines in my hands  
I want to be where you are  
I wonder where, I wonder why  
You're my favorite scar

You're the green in my eyes  
And the day that you passed  
Never ended you life

Lines in my hands  
Green in my eyes

I wonder where  
I wonder why

You're the lines in my hands  
I want to be where you are  
I wonder where, I wonder why  
You're my favorite scar

You're the green in my eyes  
And the day that you passed  
Never ended you life  
You're my favorite scar
