I'm under the shower, in the Metal Tower
I wash my hands from the poser's blood
I clean up my armpits, perfume my true hair
Then I polish my long flesh sword

And I say:

Metal ! - la la la la la

L'acqua sul mio corpo, scivola leggera
Uuuuuuuuuuaaaaaa, ci starei fino a stasera
With pride I recall, the battles that I fought
And proudly I'm singing this song
SING IT LOUD !!!!

[Guy:] "Oh, ciao!"

[Big man:] "Ciao."

[G:] "Anche tu sotto la doccia?"

[M:] "Evidentemente si."

[M:] "Oh, noto - con piacere - che ti caduta la saponetta."

[G:] "Ah, si, grazie! La raccolgo subito."
