He comes with the bus, from uncle Griefus
Goes back with the bike, he stole it from Mike
A master of chess, a thunderous ass
Time has come for the Stormlord to come

[Bridge:]
Stormlord of Power! Power!
Stormlord of Power, Power, Power!

[Chorus:]
Stormlord of Power, Stormlord of Might,
Stormlord of Power, kill and fight!
Stormlord of Hegel, Stormlord of Kant,
Stormlord of Study, he's not ignorant!

When Death SS call, he scrabbles his balls
He drenches Nesquik in the milk of the dick
He comes from the park, to bring you the dark
Time has come for the Stormlord to come

[Bridge:]
Stormlord of Power! Power!
Stormlord of Power, Power, Power!

[Chorus:]
Stormlord of Power, Stormlord of Might,
Stormlord of Power, kill and fight!
Stormlord of Hegel, Stormlord of Kant,
Stormlord of Study, he's not ignorant!
