You call yourself a family man
Talking 'bout the families plan
To bring the sweet talk deep and down
Works better than an average pick up line

You put your woman out to pasture
On the promises you gave her last year
Peace and love is on your head
And the grass is greener playing 'round
Your family seed is what you spread

Buddy my friend
Who you think you fooling, buddy my friend
And what about your woman, buddy my friend
Who you think you fooling, buddy, buddy my friend

I don't care what you do
But there's a hypocrite that lives in you
'Cause if your woman gave her love in the same way
that you do
You'd feel a-way, you know you would

Buddy my friend
Who you think you fooling, buddy my friend
And what about your woman, buddy my friend
Who you think you fooling, buddy, buddy my friend

Treat her that way
And you'll be X'd soon, buddy X'd soon
Treat her that way
You'll be X'd soon, buddy X'd soon

It's better to be safe than sorry
But ya gonna be sorry when it's too late
Buddy [Incomprehensible] buddy
Oh yeah, buddy, buddy yeah
What's up?
[Incomprehensible]
