Had you in me (x4)

In me (x2)

Sick of what i feel, sick of being real

Better stay clear or I might hijack a plane

Im getting sick of what i feel, sick of being real

You better stay clear cos im about to blow the fuck up

N=

Soap on my body's gonna make me clean,

Giving birth makes me scream,

See my light (life?) pass before me as i drown in the shadow under

My

Bubble bath,

A forced laugh a forged autograph,

First my body,

Now my corpse

I exercise daily...love my sports

I need when i concieve,

I sow seed, i can see no remorse,

T n (x2)

I had you in me

Had you in me

You in me

In me

Me

Sick of what i feel

Sick of being real

Better stay clear or I might hijack a plane

Im getiing sick of what i feel

Sick of being real

You better stay clear cos im about to blow the fuck up

T=

Im liquid

N=

Serving speed, self deceit,

I teased you now you're tame,

Put treacle on your tummy to keep you sticky when i
steal,

I take from you i hate for you

You fools who feel free (?)

You look like a little somebody looking for something

T=

And im still myself (to fade)
