I've come up hard baby  
And now I'm cool  
Didn't make it sugar  
Playing by the rules  
I've come up hard baby  
But now I'm fine.  
In checking trouble sugar  
Moving down the line  
I've come up hard baby  
But that's ok  
'coz trouble man  
Don't get in my way  
I've come up hard baby  
I've been for real  
Gonna keep on moving  
Gonna go to town  
I've come up hard  
Come up and get down  
There's only three things that's for sure  
Taxes death and trouble  
This I know baby  
Oh I've come up hard baby  
With a troubled mind  
But then I've got my share  
Of what's mine  
Oh I've come up hard baby  
But that's ok  
'coz trouble man  
Don't get in my way  
Oh I've come up hard baby  
I know some places  
And I see some faces,  
I've got the connections,  
They dig my directions,  
What people say  
That's ok  
They don't bother me  
I'm ready to make it  
Don't care what the weather  
Don't care about no trouble  
Got myself together  
Got the kind of protection

It's all around me  
I've come up hard but now I'm cool  
I didn't make it baby  
Playing by the rules  
Oh I've come up hard baby  
But that's ok  
'coz trouble man  
Don't get in my way  
Oh I've come up hard baby  
With the troubled mind  
But then I've got my share  
Of what's mine  
I've come up hard  
But now I'm fine  
Checking trouble sugar  
Moving down the line ....
