Stay with me here don't leave me alone tonight
Couse when you know what's right
Let me love one more time, let me love one more time

You keep telling me lies
Something you can?t deny
I don?t wanna talk about it
So just let love me tonight
Boy you're looking so fine
Wanna make you all mine
Wan't you all to myself
But you're making me go through hell

Foreve I've benn wanting you
And I know you've been wanting me and waiting too
So baby...

Stay with me here don't leave me alone tonight
Couse when you know what's right
Let me love one more time
Stay with me here don't leave me alone tonight
I wanna do me right
Let me love one more time, Let me love one more time

Give me love that I need
make me feel good inside
Show me why you don't see
How you're messin' up with my mind
If you toch me real slow all night long than you'll know

Foreve I've been wanting you and I kow you've been
wanting me
And waiting too, so baby...

Stay with me here don't leave me alone tonight
Couse when you know what's right
Let me love one more time
Stay with me here don't leave me alone tonight
I wanna do me right
Let me love one more time, let me love one more time

Quero-te h? tanto tempo tu sabes que me queres
tamb?m

Stay with me here don't leave me alone tonight
Couse when you know what's right
Let me love one more time
Stay with me here don't leave me alone tonight
I wanna do me right
Let me love one more time, let me love one more
time...
