Yea, my diamonds stay on cold, like a cold cut.
And the flow is sick, like ew yuck. (Ew yuck)

You jumpin on our ship, just so you can stay afloat.
We get that new money; you stay with the old.
You countin change & dimes; watch my bills unfold.
I'm irregular, not the normal.
Plain jeans & polo, not the formal.
Red Ralph Lauren; call me V-Day.
Let's do it backwards now; E-F-A
That's "Almost Famous Ent."
And this is Nikki D.
And yes I'm charging now.
I used to work for free.

Chorus (4x)

Pants freshly ironed, shirt looking good!
Hair retwisted; man I'm feeling good!
Aye, I'm in the paint man!
Chea! I'm in the paint!
